

# Lord I Wanna Thank You

By Bishop Larry Trotter

When you wake up early in the morning

Clothe in your right mind

You oughta say Lord

Oh Lord

When you sit at the noon day table

eating the food God gave you

you oughta say Lord

Oh Lord

You ought to lift up your hands and say

I thank you Lord, for a brand new day

Thank You

Oh Thank You (Jesus)

Ohhhhh

When you wake up early in the morning

Clothe in your right mind

You oughta say Lord

Oh Lord

When you sit at the noon day table

eating the food God gave you

you oughta say Lord

Oh Lord

You ought to lift up your hands and say

I thank you Lord, for a brand new day

Thank You

Oh Thank You (Jesus)

Oh, oh, oh, you've been

Always

When I  
Help me

Better to me than I been to myself  
Always by my side  
When I couldn't see my way  
Help me see a brand new day  
Lord I love you, I adore you, Magnify your Holy name  
Thank You  
Thank You Jesus  
Ohhh

When you wake up early in the morning  
Clothe in your right mind  
You oughta say Lord  
Oh Lord

When you sit at the noon day table  
eating the food God gave you  
you oughta say Lord  
Oh Lord

You ought to lift up your hands and say  
I thank you Lord, for a brand new day
